

# *OPEN HOUSE AND SPECIAL ANNOUNCEMENT*

**Tuesday, February 27, 2024**

**2 PM - 3 PM**

**325 Russell Senate Office Building  
(Kennedy Caucus Room)**

**Stop by the Kennedy Caucus Room from 2-3pm on February 27 for an open house with Senator Mike Braun, where you can grab some refreshments and chat with fellow advocates about rare, progressive, and congenital diseases.**

**Additionally, stick around to hear from Senator Braun and others about exciting new developments regarding the Promising Pathway Act and growing support for the initiative in Congress, industry, and amongst advocacy groups. The Promising Pathway Act would create a new drug approval pathway for drugs intended to treat diseases that have few therapies and that leave patients with limited time.**
